

5 GOOD REASONS

why **KE** Maps
are now available
in USB key format

- 1 KE Maps are the only educational maps designed specifically for teaching.
- 2 KE Maps are the only educational maps available online.
- 3 KE Maps is the only collection of maps on our history, geography and economy.
- 4 The bright colours, modern graphics and automatic updates make KE Maps *timeless*.
- 5 KE Maps are completely unique, can be adapted to any study program and are accessible to various groups of learners.

Adobe® PDF Documents

To view the PDFs on the USB key, you can install one of the following software programs depending on the desired medium (interactive white board, PC, Mac, iPad, etc.) and features (annotation, highlighting, comments, etc.). Some of the applications listed below are free and others cost money:

Adobe® Acrobat® Reader

PDF-Notes

iAnnotate

GoodReader®

PDF Reader Pro for iPad

Please note that the representative fraction is accurate when maps are displayed at 100%.
