Now I like to dress all by myself. I have a snowsuit, a raincoat, and pyjamas too. I have hats for all occasions. And when I'm in disguise—I'm still me!

The All About Me Series features the world of Julie, David, Nadia, and Paco. It is the world of early childhood, of simple pleasures and of discovery. Whether shopping at a market, celebrating at a birthday party, sharing with friends, playing in the park, enjoying family life at home, or learning new tasks, Julie, David, Nadia, and Paco illustrate some of the charm and magic that are part of a child's universe.
