I like to count the treasures in my pockets,
the buttons, candies, rocks, and keys.
I like to count the fish in my aquarium and my insects.
Most of all, I like to count my books and toys.

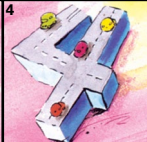

I like to count, because then I know what is a little and how much is a lot.

The **Numeracy Series**
for children ages 5 to 12
covers a range of skills,
from basic counting
to more complex
operations involving
fractions, decimals,
and percentages.
Math becomes fun and
challenging with Mr. O,
3-D The Spy, and the
nasty Hannabar.
