Don-Dan-Dean, also known as 3-D, has to deliver a letter to Mr. 412 552 780, but it won't be easy. A group of masked men follows him everywhere. He must answer all their math questions to find his way and get a surprise.

The Numeracy Series
for children ages 5 to 12
covers a range of skills,
from basic counting
to more complex
operations involving
fractions, decimals,
and percentages.
Math becomes fun and
challenging with Mr. O,
3-D The Spy, and the
nasty Hannabar.
