Meet the weirdest creatures, each one a hybrid  
composed of body parts from 12 different  
animals. Take a closer look. It's not so weird.  
It's almost real!

**The Natural Sciences Series**, for children 4 and up, covers a range of subjects, such as ecology, zoology, biology, geography, and social studies. Richly coloured and detailed illustrations combine with imaginative texts to stimulate children's natural curiosity.
