

All About Me Kindergarten Lab

PRODUCT NO.: 404 8617

The *All About Me* series offers a variety of group and individual activities. The content aims to meet the objectives of the preschool education program and easily connects to most spheres of activity in kindergarten. These exercises can serve as a starting point for activities in language, dramatic expression, and mathematical awareness. The texts often call on print awareness. The role-playing activities remind children of their own reality, encouraging knowledge transfer.

All About Me Kindergarten Lab

Includes: 7 laminated, reversible colour posters, 45.6 cm × 60 cm; 1 teacher's manual including activity sheets corresponding to the posters and 6 progress sheets, each corresponding to an activity book; 6 activity books; 1 VERITECH case with 12 tiles; and self-adhesive Velcro® strips to fasten the posters to the wall.
